ensure the all around **development**
of the **whole world**"*

JAI VIDYA CENTRE OF EXCELLENCE

HARDOI

Based on CBSE Pattern of Education

Jai Vidya Centre of Excellence ▶▶▶▶▶

Jai Vidya Centre of Excellence is now taking enrollment for children from Nursery to Vth Class. A year later we will open Senior Classes. Our aim is to create the best day school for boys and girls. Our curriculum will be based on CBSE pattern of education with a scope of parents the students to bring out the best.

Our Educational Programmes will nourish each child spiritually, emotionally mentally and physically. In addition to academic lessons, our school day will be filled with sports, with artistic endeavors, with singing, with cultural understanding and with lessons on learning how human beings can best care for each other in a spirit of harmony and service.

Although we are new but later we will initiate for combine programs with boarding to be conducted in our campus to enrich educational experience of our students.

Our Aims

- To provide the highest standard of academic teaching and pastoral care.
- To provide a stimulating supportive environment addressing all aspects of the children's spiritual, moral social and cultural development.
- To encourage a life-long love of learning.
- To provide opportunities for every child to experience a wide range of activities and so discover interest and talents the classrooms.
- To develop in every child an appreciation of their artistic and cultural heritage.
- To develop independence ,self esteem and confidence in every students .
- To maintain an environment in which children are safe, happy and motivated.
- To inspire children to be positive contributors to their community where each students is encouraged to give of their best and thereby develop a brighter future for all.

Our Values

- Honesty
- Integrity
- Compassion
- Hard Work
- Helpfulness to all
- Respect for all
- Service to all

Ours is a school of warm-heartedness where children are always expected to give of their best, where staff work tirelessly to encourage them to do so and where parents support both in all their efforts.

Sports & Artistic Facilities

High standards are created through having high expectations. Our syllabus ensures that children have a wide range of learning experiences that challenge and stimulate, thereby promoting creativity, strong use of the intellect and a love for learning.

The main subjects taught include : English (comprehension and speech), Mathematics, Sciences (Biology, Chemistry & Physics), Social Studies (History & Geography), Computer & IT, Additional Languages: Hindi & Sanskrit, Arts, Music, Drama & Physical Education plays a significant part.

Sports

Sports is an essential part of the all-round development at Jai Vidya Centre of Excellence. It provides the opportunity for engagement, responsibility, enjoyment and a sense of pride in achievement, regardless of scale or magnitude. The love of sports developed at school offers life-long benefits, often leading to a happier, healthier and more productive future. At Jai Vidya we will be offering a range of team games and a chance to compete both within and against other schools. Sports activities will be programmed according to the age group of students. Along with the basic sports we are in the process of adding different sports activities regularly.

Sports Facilities:

- Tot lots for junior student complete with slides & swings
- Football ground
- 1 volleyball court, 2 badminton courts
- Swimming pool (proposed)

Our Curriculum:

- Is broad in content and is carefully balanced to ensure sufficient depth of study.
- Is designed to take into account all main subjects are, as well as languages and cultural activities promoting the best of India .
- Enables children with musical, artistic dramatic and sporting talent to develop their skills and excel.
- Provides frequent assessment opportunities through tests and regular teacher and pupil feedback to parents.
- Is differentiated to meet the needs of all pupil, including those with particular learning needs.

Jai Vidya Centre of Excellence, Hardoi (U.P) is located on a 2-acres purpose built campus on the outskirts of Hardoi on main Lucknow Road. It has all state of the Art teaching, Sporting & Cultural facilities on site. These include:

- Dedicated Science laboratories
- Multi-purpose hall
- Library
- Dedicated Pre-Prep area
- Fully Air-conditioned (Proposed)
- Spacious & well-landscaped campus with large 'green areas'
- Art room to accommodate a variety of artistic media
- Smart classes equipped with projectors

Go Green

Jai Vidya Centre of Excellence, Hardoi (U.P) is 100% powered by green energy (solar). To reduce carbon footprint we are using LED luminaries & 5 star rated electrical appliances. Complete with RWH & water recycling in irrigation etc.
